## Training Topics (We've included them all so you don't need to choose!)

### Obesity Prevention & Implementing Healthy Practices in Early Childhood Education (1.5 Hours)

Attendees will be equipped with statistics and research to help support the what, how, and why benefits of preventing childhood obesity. We will look at the importance of prevention supported by practical tips, and participants will discuss strategies to help support early childhood educators and classroom programs to help optimize exercise and healthy activity through play-based methods.

### Understanding and Supporting Special Needs Children in Early Childhood Education (1.5 Hours)

Attendees will learn the different categories of special needs that may be common in children's development, and how these needs are identified, screened for, and accommodated within our early childhood programs and classrooms.

### A Child's Well-Being: Abuse and Neglect (2 Hours)

Childhood abuse and neglect harm many aspects of a child's life. In this training we'll focus on strategies for improving children's well being, methods to maintain healthy standards, and positive behavior reinforcement strategies. We'll discuss the 4 parenting styles and their unique effects on children's growth and development. Finally we'll analyze common abuse and neglect scenarios in small groups.

## What to Expect

When you arrive (doors open at 7:00am) you'll check in and receive a handbook of learning material for each course. The training begins at 8:00am and will continue in 2 hour blocks with 15 minute breaks in-between to stretch your legs and eat some snacks.

Lunch will not be provided, but water and coffee will be available. This conference also includes a variety of snacks. You are welcome to bring your own snacks to eat during one of the breaks as well. Maybe a Clif bar?

You'll be dismissed at 1:00pm and receive a signed certificate proving you've attended our excellent training.
