

Texas Caregiver Training Tracker *(Keep 1 on file for each Caregiver)*

This **Training Tracker** is a FREE record keeping tool courtesy of the Child Care Support Network. It makes it easy to determine what training is required by the state and track what training each caregiver has completed to fulfill those requirements. **The Training Tracker** is conveniently formatted as a fillable PDF to make it easy to update for record keeping. Child Care Support Network offers convenient training packages designed to take the guesswork out of picking the right topics and save you time.
